How to Give Good Advice.

The best way to give good advice is to set a good example. When others see how quickly you get over your cold by taking Chamberlain's Cough Remedy they are likely to follow your example. This remedy has been in use for many years and enjoys an excellent reputation. Obtainable everywhere.—Adv.

Be Prepared

The season for COUGHS, COLDS and RHEUMATISM is beginning.

A few simple remedies are good things to have handy.

We mention three of them:

Maxwell

\$595

F. O. B. DETROIT

The world's record—twenty-two thousand and twenty-two miles without stopping the motor—is held by a Maxwell stock touring car.

NO other car at any price has ever approached this wonderful record of endurance.

In addition to this proven sturdiness, remember that the Maxwell averages between 25 and 30 miles per gallon of gasoline.

Moreover, the Maxwell is complete. It has electric starter and lights; demountable rims; one-man mohair top; speedometer; roomy, comfortable seats and an attractive appearance.

Are you particular about details? Do you demand evidence of value? If so, you will investigate the Maxwell, the features, record and reputation of which proclaim it the world's greatest motor car value.
